# australasia's most **diverse** conveyor **manufacturer**

⊗ design and manufacture   ⊗ installation and commissioning   ⊗ conveyor consultancy   ⊗ production flow optimisation

## bulk handling conveyors

### screwtech shaftless screw conveyors

#### Facts

Horizontal, incline and vertical  
150mm to 600mm diameter  
Numerous pitch & cross-sections

#### Features

No tail or hanger bearings  
Non-plug or bridge forming  
Totally enclosed design

### paddletrak spill-free paddle conveyors

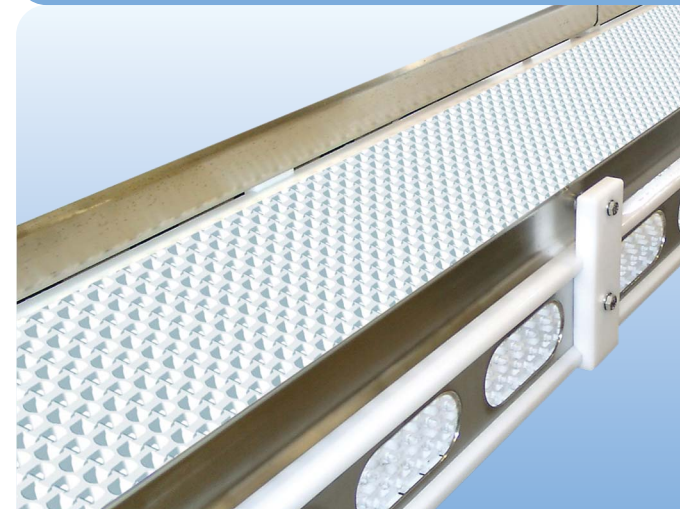

#### Facts

Horizontal to 60° incline  
Paddles from 80mm to 300mm  
Mono-plane and bi-planar options

#### Features

Totally enclosed design  
Gentle product handling  
Small footprint

### moduline modular belt conveyors

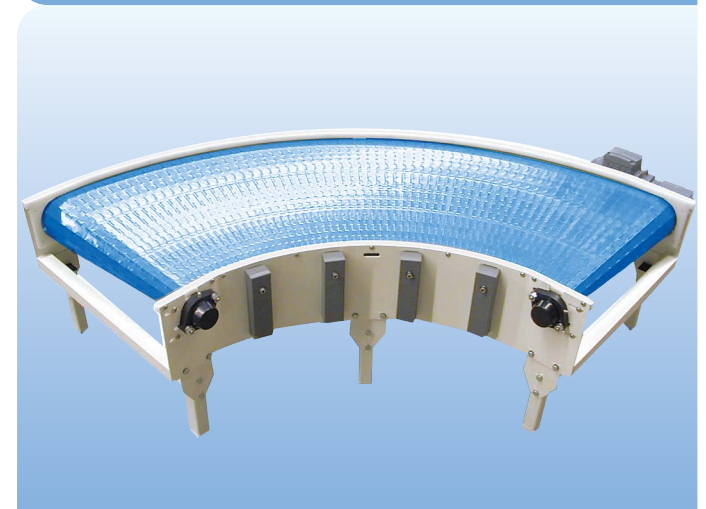

#### Facts

Horizontal, incline, goose-neck & vertical  
Numerous modular plastic & wire belts  
Infinite width & capacity options

#### Features

Hygienic design  
Modular Construction  
Replaceable wear components

### jongepoerink curve conveyors

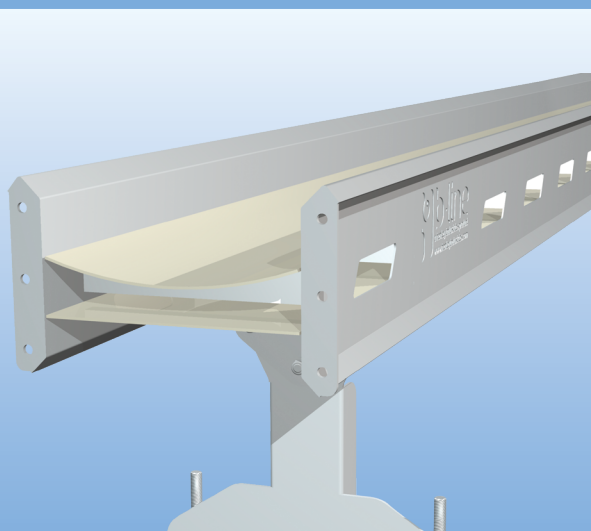

#### Facts

Modular plastic, wire belt & flat belt  
15° to 360° bends  
200mm to 1600mm belt widths

#### Features

Minimum footprint  
Small turn radius options  
Gentle product handling & transfer

### b-line belt conveyors

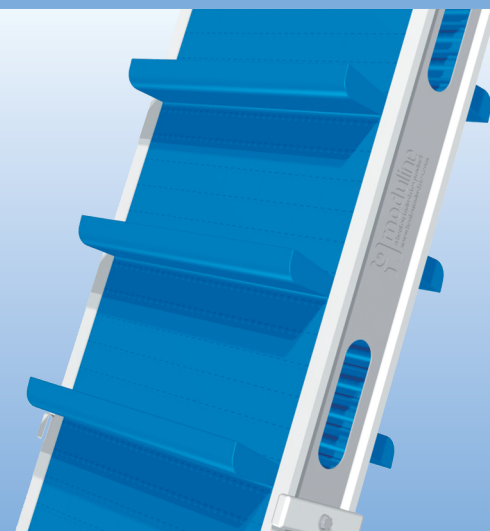

#### Facts

Horizontal and incline configurations  
Flat-belt, trough belt & flighted options  
SuperDrive™ positive-drive toothed belts

#### Features

Hygienic solid, endless belts  
Modular construction  
Ideal for wet handling

### moduline modular belt conveyors

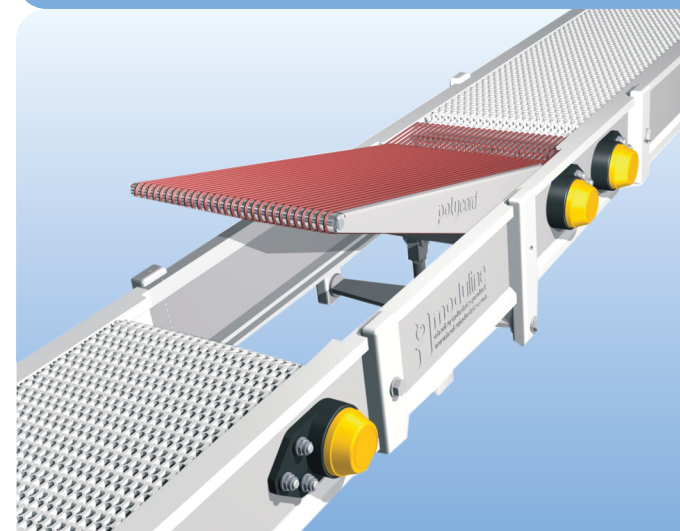

#### Facts

Horizontal, incline, goose-neck & vertical  
Numerous flight, scoop & bucket options  
Infinite width & capacity options

#### Features

Modular construction  
Replaceable wear components  
Gentle product handling

### polyband polyurethane band conveyors

#### Facts

2mm to 25mm diameter cords  
Flat, V, & double-V belts  
Solid, reinforced & friction top

#### Features

Hygienic design  
Quick release cords & belts  
Food contact approved

### rollaveyor roller conveyors

#### Facts

Gravity, accumulation, powered & motorised  
Plastic, galvanised & stainless steel  
Parallel, tapered & multi-roll options

#### Features

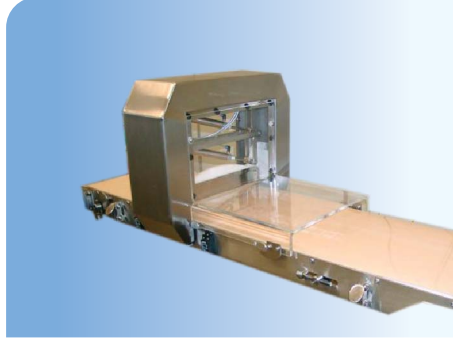

Modular construction  
Hygienic design  
Quick release rollers
